

## **THE GOONS OF DOOM**

*The Story Of Dead Barbie  
And Ghost*

**Volcom**

Cling-clang jangle-rock from the band of f—k-ups we love—Goons Of Doom (yes, Ozzie Wright is in it) play simple garage rock and do it well. Ozzie's twisted Aussie-slang lyrics rip, and the beautiful Dashenka sells sexiness. Pop in Vaughn Dead's guitar rifferery over Cowboy's drum slaps, and you've got yourself a hit record for dirty kids and surf-punks. The Goons Of Doom are coming. Cover your necks, 'cause they have sharp teeth.
