Riverboat Gamblers - To the Confusion of Our Enemies *Volcom Entertainment*

The Riverboat Gamblers kick it off, "raising up the pot" as they "deal it up" with their latest CD, "To the Confusion of Our Enemies. There is no "gut shot draw;" it is all "aces," four of them in fact. The Riverboat Gamblers go "all in" with Mike Wiebe's volcanic vocals, fierce body force and drawing dynamic drive from Freddy Castro, Mr. Lillard and Ian McDougall, make them a "quad of bullets." They are "hard rock" players and their newest release is an excellent "call." Captivating reckless energy, combined with back lashing lyrics is sure to put you on "tilt." So "Ante up" "To the Confusion of Our Enemies" and take a "toke" for these Denton, Texas boys. I'm sure the Riverboat

Gamblers will "Texas Hold'em" a place in your heart, as they have mine!
