Herbie Abernethy of Valient Thorr

THE WORST FOOD ON TOUR= Grapes and cheese.... you cannot live on grapes and cheese.

THE BEST THING ABOUT VALIENT himself is that he's the handsomest motherfucker ever, probably, next to like Burt Reynolds...Plus he rocks...(I mean Valient not burt). BUT our drummer Lucian Thorr has got magic kneecaps. They are made of titanium, and they fly.

THE BEST SHOES TO WEAR ON STAGE ARE boots. Beatle boots would be cool.

NOT ENOUGH.... ...cleaning of clothes on tour.

LISTEN TOO.... AC/DC (Bon Scott fronted) riff raff, high voltage, sin city or jailbreak. word!
