## GOONS OF DOOM THE STORY OF DEAD BARBIE AND GHOST

*Volcom Entertainment*

These guys seem to be having quite a bit of fun with their songs. Titles such as "Bikey Zombie," "VD," "It Stinks" and "The Ass Kisses the Face" will tell you what kind of tunes you're gonna get. They come off pretty original in sound as they go heavy on the guitar playing but light on the distortion, which is nice these days as I'm getting old and it hurts my cars. Did you see my glasses?
